Waterfront News

Official publication of the International Longshore & Warehouse Union Canada

ILWU Canada Elections

This May ILWU Canada will be holding an election for the position of 3rd Vice President in charge of safety. The candidates are Romeo Bordignon (Local 502) and Dale McEachern (Local 508).

Romeo and Dale are long standing members of the ILWU and both have shown a keen interest in safety during their careers.

Mark Gordienko President of ILWU Canada announced that he would not be seeking

re-election and has decided to retire after over 40 years in the industry. Mark has served the union well in many different roles including Trustee of the Pension and Benefits plan. His knowledge and dry sense of humour will be missed. The Officers wish him a long and happy retirement.

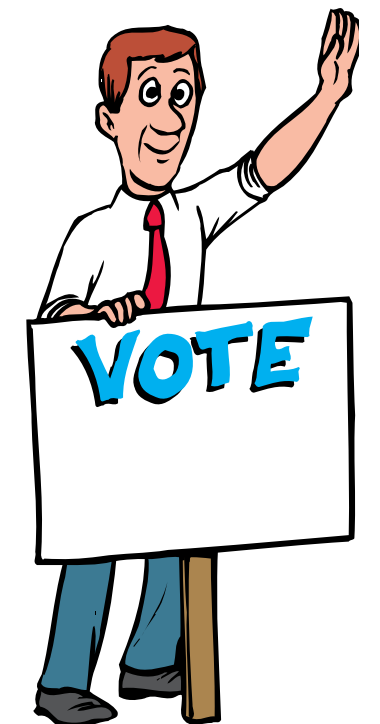

Rob Ashton (Local 500) was elected the new President

of ILWU Canada by acclamation. He has served 2 terms as ILWU Canada 1st Vice President before taking on his new role. Shawn Nolan (Local 502) is talking over Rob's job as 1st Vice President. Steve Nasby (Local 514) is staying on as the 2nd Vice President in charge of Education and History. Last but not least, Bob Dhaliwal will be continuing on as Secretary Treasurer and Trustee for the next two years. The Officers wish to thank the membership for having the trust and confidence in them and hope to serve the union well over the next term.

The 2016 Convention was a great success. There is a strong plan to move the Union forward towards the next Convention and a lot of hard work ahead. It will be a challenge to get

everything we would like accomplished in the next two years but we look forward to the challenge with optimism.

*In Solidarity,
The Officers of ILWU
Canada*
